## SECRETARY MANAGERS REPORT

Hi Members,

It is with great pleasure I report the trading results of the past 12 months.

Your club has again produced another excellent profit for 2017 – 2018 financial year; this result is a credit to our team of directors and staff, who for many years have put in the hard yards under some intense pressure.

Your board and management will continue to strive to improve your club, investing money in making your club more modern and at the same time keeping it warm, welcoming and friendly.

Your club has achieved a profit of \$181,231.59 after depreciation and amortisation of \$112,050.60, your club continues to achieve record results. The treasurer will report in more detail, but I would like to highlight some achievements.

- The clubs cash flow has improved by \$126,616.85, again continuing its strong cash management and future proofing your club and sport, this is after investing \$216,794 in capital expenditure.
- Total revenue has increased by \$312,759.00, we achieved income of over \$2 million.
- Bar turnover has increased by \$86,355.00.
- Bar Gross Profit percentage 65%.
- Bar wages is at an acceptable percentage 18%.
- With the additional capital works, our depreciation has also increased.
- New fishing memberships have increased by 120, thanks to our hugely successful tournament.

We always need to stay a step ahead, and to continue to achieve these excellent results we need to update, refresh and reinvigorate our club and business, so we have some very exciting things happening in the club over the winter months with in house improvements and facilities.

The Garmin Billfish Shootout has again been a huge success, this year we witnessed a massive jump not only in boats and entrants, but also in new members. All fishing members should be very proud that your club holds one of the finest tournaments in Australia if not the world, please remember the amount of work that goes into making this tournament so successful is huge, the organisation begins as soon as the event finishes.

This year's Interclub was a great success as far as members participation, I would like to thank everyone who participated and represented the club, members should not lose sight of this tournament, it is our state titles and to win this event gives you the title of state champion, it is something not to be ignored, congratulations to our T&R team bringing back the Bundabah trophy, Champion Team T&R.

As you are aware it takes a good group of men and women to make a club successful, we have that group on our board, the diverse range of experience and knowledge is so valuable to your club, and the ability to have your say is paramount to why we are achieving these results, I thank each and every member on the board, you all bring something to the table that is valuable, your contribution is appreciated.

## SECRETARY MANAGERS REPORT CONTINUED

This year members you will find a notice of motion has been tabled, this motion is a very important motion for not only me but your club, we have received a life membership nomination for Peter Simpson, Peter has been a continuous fishing member of NPSGFC for 52 years, but what I want to mention is his achievement since he took over the reins from David Litchfield back in 2011.

What Peter has done in the last 7 years has taken a successful tournament to be now known as the best and biggest in Australasia, this is no mean feat to achieve, a lot of work and personal time has gone into this, not only has he polished the shootout to make it shine above all others, but financially his vision on what we need to do and what improvements are required, has been instrumental in the clubs massive financial jumps in the last 5 years. So, this motion is for you the members to show your appreciation on what he has done for your club and your sport, so make sure you come to our AGM and show Peter that you do appreciate what he has done and continues to do.

Treasurer Mike Forbes, each year a talk about our treasurer and I again have nothing but respect and admiration for the man, he is one of the forgotten heroes of our clubs board, quietly going about his duties making sure we are wisely investing the clubs money, also making sure I am on the ball with my budgets and forecasts (he is not quiet then), thank you Mike for your efforts, I appreciate everything you do and have done.

Of course, these results cannot be achieved by an individual, there are many people who have helped your club prosper, I would like to thank all the staff for their continued support and work ethic, I look forward to again working with you in a happy and positive environment.

Our caterers Steve and Andrea have been a huge influence on our great result this year, they continue to produce fantastic food for our members and guest, the board and management thank them for their continued effort.

Fishing members should see a survey being sent out to all fishing members, please take the time to fill in the survey, your board a trying to organise events throughout the year that you are interested in, this survey will give us a guide to what you would like to see on the social side of our club.

In closing I thank all members for their contribution and support over the last 12 months and look forward to another huge and successful year in 2019.

**Cheers**

## President's Report

Fellow Members,

The 2017 – 2018 year has passed us by and my sincere gratitude goes to your board of directors for their prudent guidance during the year. Once again, I extend my appreciation and thanks to Nigel, his partner Rebecca and the staff for working so tirelessly during the year. Aside from attending to his day to day club undertakings Nigel always puts in “the extra time” whether it’s weighing a fish at midnight or working around the clock during tournaments. Due to his astute management the team has produced an excellent financial result of \$181,231.

### Fishing:

By the time my report goes to press, on the 21<sup>st</sup> July your board delegates will have headed down the south coast to Warilla for the NSWGFA AGM and the presentation of State Awards. Of course, we are ever hopeful of returning with “the goods” ... we’ll keep you posted on the results.

Cheers to Stephanie Van Herp aboard “Wild Thing” (Chris Russell), for her recent commendable capture of a 123.3 kg Broadbill (xiphius gladius). Well done Stephanie & Chris!

Congratulations to all skippers and anglers involved in **Major** and **Mid-Week** point score. One of the best Marlin seasons we’ve had for quite a few years.

### Major:

- Champion Boat T&R “Born Free” (Geoff Leonard) 918,100 pts.
- Champion Boat Capture “Public Enemy” (Luke Sweetman) 51,713 pts.
- Champion Male Angler T&R Shane Bashford 474,800 pts.
- Champion Lady Angler T&R Amy Lee McAndrew 210,950 pts.
- Champion Junior Angler T&R Thomas Frima 286,700 pts.
- Champion Male Angler Capture Brett Tisdell 31,894 pts.
- Champion Lady Angler Capture Kelley Sweetman 5991.36 pts.
- Champion Junior Angler Capture Corey Radford 28,788.6 pts.

### Mid-Week:

- Champion Boat T&R “White Dog” (Josh Sowter) 345,500 pts.
- Champion Boat Capture “Nuthin Suss” (Kane Hartcher) 19,101 pts.
- Champion Angler T&R Josh Sowter 159,000 pts.
- Champion Angler Capture Andrew Lorrigan 18,604 pts.

## President's Report Continued

### 2018 Garmin Shootout:

Beyond all expectations! **166** boat entries and **767** anglers confirming once again, the N&PSGFC Shootout to be the pinnacle tournament on the Australian Game fishing Calendar. It was another astounding event with well over **240k** in cash and prizes plus stacks of angler draws and give-aways. The club has also enjoyed a substantial increase in fishing membership resulting from the success of the Shootout.

This year a cash award of **\$100,000** was on offer for the capture of a Pacific Blue Marlin exceeding the weight of 236kg.

Unfortunately, this did not go off however, Tim Dean's crew on Calypso came extremely close with a nice blue weighing 231.4 kg.

Calypso's crew weren't entirely disappointed, they were awarded **\$12,500** from **GARMIN** for the heaviest marlin over 150kg.

Champion Boat T&R, Billistic (Brent Harding) amassed 112,500 pts to receive the **\$12,500 GARMIN** cheque.

LMGFC boat Victory 2 Scott Deaves took out the heaviest shark over 350kg division with a 375.6kg Tiger shark to receive **\$12,500** from Game & Leisure Boats.

Champion boat under 8m was not won so the GARMIN **\$5,000** prize was split into 5 x \$1,000 draws.

Special congrats to the juniors ... Thomas Frima 37,500pts and Brody McKay 35,500pts.

First marlin tagged by a junior in the tournament .... Oscar Flett. Well done Oscar!

Next year we will celebrate the **90<sup>th</sup> anniversary of N&PSGFC. 1929 (where it all began), -2019**, so as you might expect, things are already underway to ensure another extravaganza in February 2019.

*My personal thanks and appreciation go to Nigel's partner Rebecca who has taken on the role of Tournament Co-ordinator. This is a significant position and Bec puts in tremendous effort to ensure all is done in a professional and timely manner.*

Many thanks to our fantastic sponsors for your support and backing in our renowned tournament. We are most grateful and as always, we encourage all members and participants to give serious consideration toward supporting our sponsors whenever possible.

Congratulations and thank you to every participant in the 2018 tournament, we hope you had a great time. We hope to catch up again on February 15<sup>th</sup>, 16<sup>th</sup> & 17<sup>th</sup> 2019.

**Save the dates!**

## President's Report Continued

### In House:

- Installation of automatic glass sliding doors to foyer
- Installation of a chair lift
- Several further upgrading and refurbishments to the interior of the club are currently being undertaken

The increase in club patronage aided by means of ongoing refurbishment to our clubhouse is proven validation that we are on the right track.

### Salt Restaurant.

Our thanks to Steve, Andrea and their friendly staff who have continued raising the benchmark with their catering, serving with a standard of excellence acknowledged by visiting patrons and club members alike.

### Stepping Aside!!

52 years membership, terms as President 1974 – 1976 & 2011 – 2018, I now feel the time is right to pass the baton and after much consideration have decided to step down as your President. I have thoroughly enjoyed serving and working with the board, membership and management and look ahead, having confidence in the ability of club administration to nurture the club's growth and prosperity in future years. My gratitude and appreciation go to my fellow directors for their belief and support during my last seven years "in the chair".

I remain enthusiastic and optimistic regarding "times ahead" for N&PSGFC and, if required, I will continue to assist wherever and whenever I can.

I am grateful to have had the privilege to serve N&PSGFC as your President ..... Thank you.

See you at the AGM, 9am 11<sup>th</sup> August 2018

**Best regards**

## **NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MAY 2018**

The financial statements cover Newcastle & Port Stephens Game Fish Club Limited as an individual entity, incorporated & domiciled in Australia. Newcastle & Port Stephens Game Fish Club Limited is a company limited by guarantee.

The financial statements were authorised for issue on 9<sup>th</sup> July 2018 by the directors of the company.

### **1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### *Basis of preparation*

These general-purpose financial statements have been prepared in accordance with Australian Accounting Standards and interpretations of the Australian Accounting Standards Board and the Corporations Act 2001. The company is a not for profit entity for financial reporting purposes under Australian accounting standards.

Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless otherwise stated.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

#### *Accounting Policies*

##### **a) Property, Plant & Equipment**

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, accumulated depreciation and any impairment losses.

##### **Freehold Property**

Freehold land and buildings are measured at their fair value based on valuations by external independent valuers.

##### **Plant and Equipment**

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of plant and equipment is greater than the estimated recoverable amount, the carrying amount is written down immediately to the estimated recoverable amount, and impairment losses are recognised either in profit or loss or as a revaluation decrease if the impairment losses relate to a revalued asset.

A formal assessment of recoverable amount is made when impairment indicators are present (refer to Note 1(j) for details of impairment).

*Plant and equipment that have been contributed at no cost or for nominal cost are recognised at the fair value of the asset at the date it is acquired.*

## Depreciation

The depreciable amount of all fixed assets including buildings and capitalised lease assets, but excluding freehold land, is depreciated on a straight line basis over the assets useful lives to the company commencing from the time the asset is available for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable assets are:

Poker Machines	20%
Plant, Fixtures & Fittings	20%
Carpets	27%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are recognised in profit or loss in the period in which they arise. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained surplus.

### a) Inventories on Hand

All inventories are valued at the lower of cost and current replacement cost.

### b) Income Tax

The company has not provided for income tax, as it is currently exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

### c) Leases

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are recognised as expenses on a straight line basis over the lease term.

### d) Employee Provisions

#### Short – term employee provisions

Provision is made for the company's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the amounts expected to be paid when the obligation is settled.

#### Other long-term employee provisions

Provision is made for employees long service and annual leave entitlements not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service.

Long service leave entitlements have been calculated for employees with more than 5 year service. They have been calculated at the amount expected to be paid when liability is settled

The company's obligations for long-term employee benefits are presented as non-current employee provisions in its statement of financial position, except where the company does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current employee provisions.

### f) Revenue

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Revenue from the rendering of services is recognised upon the delivery of the service to the Customers.

Interest revenue is recognised as it is received.

All revenue is stated net of the amount of goods and services tax (GST).

# Newcastle & Port Stephens Game Fish Club Limited

(A company limited by guarantee)

ABN 25 292 918 920

## **g) Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented in the cash flow statement on a net basis.

## **h) Cash on Hand**

Cash on hand includes cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

## **i) Comparative Figures**

Where required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

## **j) Impairment of Assets**

At the end of each reporting period, the company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs of disposal and value in use, is compared to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in profit or loss.

Where the future economic benefits of the asset are not primarily dependent upon the assets ability to generate net cash inflows and when the entity would, if deprived of the asset, replace its remaining future economic benefits, value in use is determined as the depreciated replacement cost of an asset.

Where it is not possible to estimate the recoverable amount of an asset, the entity estimates the recoverable amount of the cash-generating unit to which the class of asset belong.

Where an impairment loss on a revalued asset is identified, this is recognised against the revaluation surplus in respect of the same class of asset to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that class of asset.

## **k.) Accounts Receivable & Other Debtors**

Accounts receivable and other debtors include amounts due from members as well as rent receivable from tenants. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Accounts receivable are recognised at fair value.

## **l.) Accounts Payable & Other Payables**

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the company during the reporting period which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

## **m.) Provisions**

Provisions are recognised when the entity has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.

(A company limited by guarantee)

ABN 25 292 918 920

## n.) Critical Accounting Estimates and Judgments

The directors evaluate estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained externally and within the company.

## o.) Fair Value of Assets & Liabilities

The company measures and recognises the following assets and liabilities at fair value on a recurring basis after initial recognition:

- Freehold land & buildings

The company does not subsequently measure any liabilities at fair value on a recurring basis, or any assets or liabilities at fair value on a non-recurring basis.

The company has no significant concentration of credit risk with the respect to any single counter party or group of counter parties.

The following table details the company's accounts receivable and other debtors exposed to credit risk (prior to collateral and other credit enhancements) with ageing analysis and impairment provided for thereon. Amounts are considered as "past due" when the debt has not been settled within the terms and conditions agreed between the company and the customer or counterparty to the transaction. Receivables that are past due are assessed for impairment by ascertaining solvency of the debtors and are provided for where there are specific circumstances indicating that the debt may not be fully repaid to the company.

The balances of receivables that remain within initial terms (as detailed in the table below) are considered to be high credit quality.

Provision for Holiday Pay	5,483.35	< 1,100.83>
	55,753.08	43,985.61

Employee provisions represent amounts accrued for annual leave and long service leave.

The current portion for this provision includes the total amount accrued for annual leave entitlements and the amounts accrued for long service leave entitlements that have vested due to employees having completed the required period of service. Based on past experience, the company does not expect the full amount of annual leave or long service balances classified as current liabilities to be settled within the next 12 months. However, these amounts must be classified as current liabilities since the company does not have an unconditional right to defer the settlement of these amounts in the event employees wish to use their leave entitlement.

The non-current portion for this provision includes amounts accrued for long service entitlements that have not yet vested in relation to those employees who have not yet completed the required period of service.

## 12. FINANCIAL RISK MANAGEMENT

The company's financial instruments consist mainly of deposits with banks, accounts receivable and payable and hire purchase liabilities.

The main risks the company is exposed to through its financial instruments are interest rate risk, liquidity risk and credit risk.

### a) Interest Rate Risk

The company enters its investment and borrowings at the interest rate prevailing at the time of the initial transaction. Other than bank overdraft facilities and the Debenture bank account all transactions are entered into at a fixed rate of interest. The company's exposure to interest rate risk and the effective average interest rate for each class of financial asset and liability is set out below.

### b) Liquidity Risk

The company manages liquidity risk by monitoring forecast cash flows and ensuring that adequate unutilised borrowing facilities are maintained.

# Newcastle & Port Stephens Game Fish Club Limited

(A company limited by guarantee)

ABN 25 292 918 920

## Credit Risk

The maximum exposure to credit risk, excluding the value of any collateral or other security, at balance date to recognised financial assets, is the carrying amount, net of any provisions for impairment of those assets, as disclosed in the balance sheet and notes to the financial statements.

## c) Net Fair Values

The aggregate net fair values of financial assets and financial liabilities, both recognised and unrecognised at balance date are at the values as disclosed in the balance sheet and the notes thereto.

- d) The directors have considered the further application of the balance of AASB 132 "Presentation and Disclosure of Financial Instruments" and believe the balance of the standard is not applicable to the financial statements as the Company's exposure to interest rate risk is low and the information required to be specified resulting from the application of the standard is not material.

## **INDEPENDENT AUDITORS REPORT TO THE MEMBERS OF NEWCASTLE & PORT STEPHENS GAME FISH CLUB LIMITED**

### **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF NEWCASTLE & PORT STEPHENS GAME FISH CLUB LIMITED**

#### **Report on the financial report.**

We have audited the financial report of Newcastle & Port Stephens Game Fish Club Limited, which comprises the statement of financial position as at 31<sup>st</sup> May 2018, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of Newcastle & Port Stephens Game Fish Club Limited is in accordance with the Corporations Act 2001, including:

- (i) Giving a true and fair view of the company's financial position as at 31<sup>st</sup> May 2018 and of its financial performance for the year ended; and
- (ii) Complying with Australian Accounting Standards and Corporations Regulations 2001.

#### **Base for Opinion**

We conduct our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the company in accordance with auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: Code of Ethics for Professional Accountants (the code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with code.

We confirm that the independence declaration required by the Corporations Act 2001, which has been given to the directors of the company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Information other than the Financial Report and Auditor's Report Thereon**

The directors are responsible for the other information. The other information comprises the information included in the company's annual report for the year ended 31<sup>st</sup> May 2018 but does not include the financial report and our auditor's report thereon. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon. In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact. We have nothing to report in this regard.

#### **Responsibilities of the Directors for the Financial Report**

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

# Newcastle & Port Stephens Game Fish Club Limited

(A company limited by guarantee)

ABN 25 292 918 920

In preparing the financial report, the directors are responsible for assessing the company's ability to continue as a going concern disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

## **Auditor's Responsibilities for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit finding, including any significant deficiencies in internal control that we identify during our audit.

# Champion Boat Capture 'PUBLIC ENEMY'

Skipper: LUKE SWEETMAN

*The underlying spirit of angling is  
that the skill of the angler is pitted  
against the instinct and strength of  
the fish and the latter is entitled to  
an even chance for his life.*
