President's Report

Dear Members

2018-2019 our 90th year has come & gone, firstly I would like to thank our board of directors for their guidance & efforts for the year, I would also like to thank Nigel & Rebecca for the excellent job they have done throughout the year we are truly blessed to have them as part of our club & a big thank you to the staff keep up the good work.

On a sad note we had the passing of director & life member Don Butcher, Donny's legacy will live on with the naming of the chair lift in his honour. The chair will now be known as the Don Butcher chair.

Fishing

Congratulations to all the skippers & anglers who participated in mid-week & major point score, it was a tough year with unfavourable water & a lack of fish, fingers crossed that the fish return next season.

President's Report Continued

2019 Garmin Shootout:

Well what can I say record number of boats (166) & anglers (759) making the Garmin Billfish Shootout the biggest Game Fish Tournament in the southern hemisphere with well over \$240k in cash & prizes

Champion Boat T&R, Billistic (Brent Harding) with 25,000 pts to receive the **\$12,500 GARMIN** cheque.

Heaviest Shark over 350kg was Not Won

Champion boat under 8 Metres was not won so the tournament committee put extra money over the bar.

Heaviest Marlin over 150kg, Newcastle GFC Boat Zanzibar winning with a 214kg Blue Marlin and taking home the \$12,500 Shimano Cheque.

Special congrats to the juniors ...Max Hardy 12,750 pts and Makira Wright 3,750 pts.

First marlin tagged by a junior in the tournament Alex Binkin. Well done.

My personal thanks & appreciation must go to Nigel, Rebecca & Peter Simpson for all the time & effort that they put in to make the Garmin Billfish Shootout such a big success

I look forward to making some big announcements in the coming months about the Garmin Billfish Shootout that will take the biggest tournament in the southern hemisphere to the next level
Inhouse

Throughout 2018-2019 the board has continued down the path of providing improvements to the club with the upgrade of the male & female toilets, I must say this has made a huge improvement

I look forward to catching up with you all at the AGM on the 10th August 9am

SECRETARY MANAGERS REPORT

Hi Members,

It is with great pleasure I report the trading results of the past 12 months.

Your board and club management have again produced a very strong balance sheet, a balance sheet all members should be proud of, especially with the current local financial environment having a major impact on clubs in our area.

I am pleased to reveal that your club has come out with another excellent profit of \$123,695.00 after depreciation and amortization of \$138,328.00.

This year we undertook some major renovations which have had a very positive response. Total expenditure on plant and equipment for the year totalled \$397,922.80, however, although we had a small reduction in our cash position and considering the disbursements on improvements to your club and facilities, the bottom line is still strong. It is comforting to know that these enhancements were achieved without any external financial assistance, and your club is still debt free and trading exceptionally strong.

The coming year will be about consolidation, after having such a big spend this last financial year we will be looking at making the club even stronger financially.

The treasurer will report in more detail, but I would like to highlight some areas.

- Cash position is \$355,252.00, this is after investing \$397,922.00 in capital expenditure.
- Total revenue has increased slightly from last year. Total T/O \$2,018,383.06.00, this turnover was achieved even after the club was closed for 19 days due to renovations.
- With the additional capital works, our depreciation has also increased by \$26,278.00.
- Fishing memberships has stayed the same, after the huge increase last year, which means we are retaining our members, of course, thanks to our hugely successful tournament.

The Garmin Billfish Shootout has again been a huge success, this tournament is such a successful tournament, a tournament that is the envy of most game fishing clubs in Australia. All fishing members should be very proud that your club holds one of the finest tournaments in Australia.

As you all are aware it takes a lot of hard work and a good group of people to make a club this financially successful, we have that group on our board, the diverse range of experience and knowledge is so valuable to your club, and the ability to have your say and respect other opinions is paramount to why we are achieving these results, I thank each and every member on the board, you all bring something to the table that is valuable, your contribution is appreciated.

SECRETARY MANAGERS REPORT CONTINUED

As mentioned by club president Troy, we lost a valued member of the club and board this year in Don Butcher, you all know Don and what he has done for this club over many years, personally for me, he was always there offering to help in any way he could, he will be greatly missed.

On another sad note, we lost a valuable volunteer in Norma White, Norma lost her short battle with cancer, Norma attended this year's Interclub as she and her husband Ken have for many years, offering help in packing tournament bags and also on the briefing night, it will be very strange not to see Norma at the next Interclub as she and her husband have played a major part in our clubs involvement with Interclub over many many years.

Of course, these results cannot be achieved by an individual, we have a small group of staff that have been a major reason we have had such success over the years, their loyalty to the club is unquestioned, their flexibility is appreciated, thank you Claudia, Jan, Kael, Natalie, Tina & TJ. I look forward to again working with you in a happy and positive environment.

Our caterers Steve and Andrea have been a huge influence again this year, they continue to produce consistently good food, which attracts members and visitors to the club, the board and management thank them for their continued effort.

The club has the right formula, we have the modern venue, we have the uninterrupted million dollar view, we have fantastic customer service and we produce great food consistently, if you take one of these away, it would have a major impact on our business.

In closing, I thank all members for their contribution and support over the last 12 months and look forward to another huge and successful year in 2019-2020.

Cheers

Nigel Rushworth

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MAY 2019

The financial statements cover Newcastle & Port Stephens Game Fish Club Limited as an individual entity, incorporated & domiciled in Australia. Newcastle & Port Stephens Game Fish Club Limited is a company limited by guarantee.

The financial statements were authorised for issue on 16th July 2019 by the directors of the company.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of preparation

These general-purpose financial statements have been prepared in accordance with Australian Accounting Standards and interpretations of the Australian Accounting Standards Board and the Corporations Act 2001. The company is a not for profit entity for financial reporting purposes under Australian accounting standards.

Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless otherwise stated.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Accounting Policies

a) Property, Plant & Equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, accumulated depreciation and any impairment losses.

Freehold Property

Freehold land and buildings are measured at their fair value based on valuations by external independent valuers.

Plant and Equipment

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of plant and equipment is greater than the estimated recoverable amount, the carrying amount is written down immediately to the estimated recoverable amount, and impairment losses are recognised either in profit or loss or as a revaluation decrease if the impairment losses relate to a revalued asset.

A formal assessment of recoverable amount is made when impairment indicators are present (refer to Note 1(j) for details of impairment).

Plant and equipment that have been contributed at no cost or for nominal cost are recognised at the fair value of the asset at the date it is acquired.

Newcastle & Port Stephens Game Fish Club Limited

(A company limited by guarantee)

ABN 25 292 918 920

Depreciation

The depreciable amount of all fixed assets including buildings and capitalised lease assets, but excluding freehold land, is depreciated on a straight line basis over the assets useful lives to the company commencing from the time the asset is available for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable assets are:

Poker Machines	20%
Plant, Fixtures & Fittings	20%
Carpets	27%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are recognised in profit or loss in the period in which they arise. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained surplus.

b) Inventories

All inventories are valued at the lower of cost and current replacement cost.

c) Income Tax

The company has not provided for income tax, as it is currently exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

d) Leases

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are recognised as expenses on a straight line basis over the lease term.

e) Employee Provisions

Short – term employee provisions

Provision is made for the company's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and annual leave. Short-term employee benefits are measured at the amounts expected to be paid when the obligation is settled.

Other long-term employee provisions

Provision is made for employees long service and annual leave entitlements not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service.

Long service leave entitlements have been calculated for employees with more than 5 years' service. They have been calculated at the amount expected to be paid when liability is settled

The company's obligations for long-term employee benefits are presented as non-current employee provisions in its statement of financial position, except where the company does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current employee provisions.

f) Revenue

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Revenue from the rendering of services is recognised upon the delivery of the service to the Customers.

Interest revenue is recognised as it is received.

All revenue is stated net of the amount of goods and services tax (GST).

Newcastle & Port Stephens Game Fish Club Limited

(A company limited by guarantee)

ABN 25 292 918 920

g) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented in the cash flow statement on a net basis.

h) Cash on Hand

Cash on hand includes cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

i) Comparative Figures

Where required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

j) Impairment of Assets

At the end of each reporting period, the company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs of disposal and value in use, is compared to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in profit or loss.

Where the future economic benefits of the asset are not primarily dependent upon the assets ability to generate net cash inflows and when the entity would, if deprived of the asset, replace its remaining future economic benefits, value in use is determined as the depreciated replacement cost of an asset.

Where it is not possible to estimate the recoverable amount of an asset, the entity estimates the recoverable amount of the cash-generating unit to which the class of asset belong.

Where an impairment loss on a revalued asset is identified, this is recognised against the revaluation surplus in respect of the same class of asset to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that class of asset.

k.) Accounts Receivable & Other Debtors

Accounts receivable and other debtors include amounts due from members as well as rent receivable from tenants. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Accounts receivable are recognised at fair value.

l.) Accounts Payable & Other Payables

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the company during the reporting period which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

m.) Provisions

Provisions are recognised when the entity has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.

Newcastle & Port Stephens Game Fish Club Limited

(A company limited by guarantee)

ABN 25 292 918 920

n.) Critical Accounting Estimates and Judgments

The directors evaluate estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained externally and within the company.

o.) Fair Value of Assets & Liabilities

The company measures some of its assets and liabilities at fair value on either a recurring or non-recurring basis, depending on the requirements of the applicable Accounting Standard.

Fair value is the price the Company would receive to sell an asset or would have to pay to transfer a liability in an orderly (i.e. unforced) transaction between independent, knowledgeable and willing market participants at the measurement date.

As fair value is a market-based measure, the closest equivalent observable market pricing information is used to determine fair value. Adjustments to market values may be made having regard to the characteristics of the specific assets or liability. The fair values of assets and liabilities that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data.

To the extent possible, market information is extracted from either the principal market for the asset or liability (i.e. the market with the greatest volume and level of activity for the asset or liability) or, in the absence of such a market, the most advantageous market available to the entity at the end of the reporting period (i.e. the market that maximises the receipts from the sale of the asset or minimises the payments made to transfer the liability, after taking into account transaction costs and transport costs).

For non-financial assets, the fair value measurement also takes into account a market participant's ability to use the asset in its highest and best use or to sell it to another market participant that would use the asset in its highest and best use.

The fair value of liabilities and the entity's own equity instruments (excluding those related to share-based payment arrangements) may be valued, where there is no observable market price in relation to the transfer of such financial instruments, by reference to observable market information where such instruments are held as assets. Where this information is not available, other valuation techniques are adopted and, where significant, are detailed in the respective note to the financial statements.

Employee provisions represent amounts accrued for annual leave and long service leave.

The current portion for this provision includes the total amount accrued for annual leave entitlements and the amounts accrued for long service leave entitlements that have vested due to employees having completed the required period of service. Based on past experience, the company does not expect the full amount of annual leave or long service balances classified as current liabilities to be settled within the next 12 months. However, these amounts must be classified as current liabilities since the company does not have an unconditional right to defer the settlement of these amounts in the event employees wish to use their leave entitlement.

The non-current portion for this provision includes amounts accrued for long service entitlements that have not yet vested in relation to those employees who have not yet completed the required period of service.

12. FINANCIAL RISK MANAGEMENT

The company's financial instruments consist mainly of deposits with banks, accounts receivable and payable and hire purchase liabilities.

The main risks the company is exposed to through its financial instruments are interest rate risk, liquidity risk and credit risk.

a) Interest Rate Risk

The company enters its investment and borrowings at the interest rate prevailing at the time of the initial transaction. Other than bank overdraft facilities and the Debenture bank account all transactions are entered into at a fixed rate of interest. The company's exposure to interest rate risk and the effective average interest rate for each class of financial asset and liability is set out below.

	Floating Interest rate	2019 Fixed interest maturing in:		Non interest bearing	Total
		1 year Or less	Over 1 year to 5 years

	229,335.47	225,455.23	-	<41,334.47>	413,456.23

b) Liquidity Risk

The company manages liquidity risk by monitoring forecast cash flows and ensuring that adequate unutilised borrowing facilities are maintained.

Newcastle & Port Stephens Game Fish Club Limited

(A company limited by guarantee)

ABN 25 292 918 920

Credit Risk

The maximum exposure to credit risk, excluding the value of any collateral or other security, at balance date to recognised financial assets, is the carrying amount, net of any provisions for impairment of those assets, as disclosed in the balance sheet and notes to the financial statements.

c) Net Fair Values

The aggregate net fair values of financial assets and financial liabilities, both recognised and unrecognised at balance date are at the values as disclosed in the balance sheet and the notes thereto.

- d) The directors have considered the further application of the balance of AASB 132 "Presentation and Disclosure of Financial Instruments" and believe the balance of the standard is not applicable to the financial statements as the Company's exposure to interest rate risk is low and the information required to be specified resulting from the application of the standard is not material.

**INDEPENDENT AUDITORS REPORT TO THE MEMBERS OF
NEWCASTLE & PORT STEPHENS GAME FISH CLUB LIMITED**

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF NEWCASTLE & PORT STEPHENS GAME FISH CLUB LIMITED

Report on the financial report.

We have audited the financial report of Newcastle & Port Stephens Game Fish Club Limited, which comprises the statement of financial position as at 31st May 2019, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of Newcastle & Port Stephens Game Fish Club Limited is in accordance with the Corporations Act 2001, including:

- (i) Giving a true and fair view of the company's financial position as at 31st May 2019 and of its financial performance for the year ended; and
- (ii) Complying with Australian Accounting Standards and the Corporations Regulations 2001.

Basis for Opinion

We conduct our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the company in accordance with auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: Code of Ethics for Professional Accountants (the code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with code.

We confirm that the independence declaration required by the Corporations Act 2001, which has been given to the directors of the company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Financial Report and Auditor's Report Thereon

The directors are responsible for the other information. The other information comprises the information included in the company's annual report for the year ended 31st May 2019, but does not include the financial report and our auditor's report thereon. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon. In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Newcastle & Port Stephens Game Fish Club Limited

(A company limited by guarantee)

ABN 25 292 918 920

In preparing the financial report, the directors are responsible for assessing the company's ability to continue as a going concern disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit finding, including any significant deficiencies in internal control that we identify during our audit.

*The underlying spirit of angling is
that the skill of the angler is pitted
against the instinct and strength of
the fish and the latter is entitled to
an even chance for his life.*
