Notice of Annual General Meeting 2020

**The Annual General Meeting of the
Newcastle & Port Stephens Game Fish Club Ltd.
Will be held in the Clubhouse,
57 Shoal Bay Road, Shoal Bay
On Saturday 22nd August 2020 at 5:00 pm**

The order of business shall be:

1. To confirm the Minutes of the last Annual General Meeting.
2. To receive and consider the reports of the Committee.
3. To receive and consider the Balance Sheet, Income and Expenditure Account and the report of the Auditors.
4. Election of Directors
5. Confirmation of Club Patron.
6. To deal with any business of which members have given due notice.
7. Consideration of Honorariums in accordance with Clause 3 of the Memorandum of Association. Notice is hereby given for members to consider and if thought fit pass the following resolution.
Pursuant to the Registered Clubs Act:
"The members approve and agree to each Director receiving an Honorarium in the amount of \$20.00 for services as a member of the governing body of the club."

8. **Notice of Motion, received 29th June 2020.**

That Members # 30 Mike Forbes & Greg Hancock # 161 be accepted for Life Membership for exceptional services rendered to the club over a sustained period.

Nominated by Peter Silcock Life Member #67 Seconded By Geoff Leonard Life Member #70 & Troy Radford (President) # 703

Below is a brief history of contribution to the club and the sport of Game Fishing.

Greg Hancock – 21 years as director of NPSGFC

Mike Forbes – 19 years as Treasurer of NPSGFC

Both gentlemen came onto the board when the club was in dire financial stress, bringing their knowledge and expertise in running a successful business to the club, they were instrumental in turning that around into a club that is financially strong with \$500k in the bank and liabilities of less than \$84K, so strong it weathered the current Pandemic crisis without any fuss. Greg and Mike in conjunction with David Litchfield and Hancock Sheetmetal, have supported the club in sponsoring the Shootout since its inception and supplied material either free of charge or at a very discounted price.

They compete in both Interclub and Shootout every year, their commitment to the club is unquestionable.

Please refer to the club's constitution criteria for life member nominations.

In addition to the Life Members referred to in Article 6 hereof, any member who has rendered outstanding service to the club or any predecessor thereof and to the sport of the game fishing for a period of not less than seven years, may, on account of such service, be elected a Life Member of the Club subject to the following condition and proviso, namely;

a) A member shall not be elected a Life Member otherwise than pursuant to a recommendation of the Committee and which recommendation shall be adopted by a resolution passed by a majority of two thirds of members of the Club present and entitled to vote at an Annual General Meeting or an Extraordinary Meeting of the Club.

General Business

"Notices of motion to be dealt with at the Annual General Meeting shall be handed to the Secretary at least **21 days** prior to the date of AGM".

Please take note of the time of the AGM 5.00pm, there will be some refreshment available at conclusion.

Kind Regards

Nigel Rushworth
Secretary Manager

President's Report

Welcome Fellow Members

The 2019/2020 season has come & gone what a crazy year it has turned out to be.

As you would all be aware the fishing season had to be cut short as well as the club had to stop trading for 2 months due to Covid-19 restrictions.

Firstly I would like to thank Nigel & his partner Rebecca for all their hard work during the crazy & tough times, I would also like to thank staff for all their efforts this year & a big thanks to the Board of Directors for their efforts, there were some tough decisions that had to be made this year with the board working as a team I believe we have navigated our way through the tough times.

The club is in a really good financial position making a healthy profit of \$76K for the year, well done to everyone involved.

Fishing

The 2020 Garmin Shootout

This year we had 162 boats and 771 anglers confirming once again that the Garmin Shootout is the number One Tournament in the southern hemisphere.

I would like to thank all the sponsors for their support as well as our members who fished our tournament, without all your support our tournament wouldn't be such a success.

I look forward to seeing you all next year at the 2021 Garmin Shootout with our aim to make it bigger & better again.

2020 Interclub

Congratulations to team one capture comprising of Public Enemy, Critter Kill, No Excuse on taking out team capture, well done to Kelly Sweetman on taking out Ladies Capture, Corey Radford on taking junior & senior capture & Madison Fairlie catching a 70kg black marlin on 10kg line for a NSW & Australian record. Well done to Public Enemy for taking out number one capture boat.

SECRETARY MANAGERS REPORT

Hi Members,

It is with great pleasure I report the trading results of the past 12 months.

Well, it certainly has been a very interesting year, especially the last few months, with an environment that none would have expected.

Of course, your club was closed due to the pandemic for 9 weeks, I am happy to say we reopened from 4th June and the trade has been exceptional.

These are the kind of disasters or bumps in the road to why you should always be prepared, certain decisions over the years were made to protect the financial viability of your club if and when a disaster happens, your club was prepared financially for such an event, it has come out the other end healthy, I am sure there are a lot of other businesses that cannot say the same, unfortunately.

To assist our staff, we put together a small pantry of items so if they ever found themselves short of supplies, they could utilise the pantry, we also registered them through the Job keeper program.

We as landlords also supported our tenants, giving free rent for April and May, we continue to work with our tenants positively, helping them through this very tough time.

Your board and club management have again produced a very strong balance sheet, a balance sheet all members should be proud of.

I am pleased to reveal that your club has come out the other end with an excellent profit of \$76,676.00 after depreciation and amortization of \$159,420.00.

The club's current assets at the end of the year amount to \$424,784.00 and our current liabilities amount to \$100,975.00, showing that we are in a very strong financial position. Total assets amount to \$4,331,991.00 and our total liabilities are \$110,442.00, showing a very strong balance sheet, which will carry the club for years to come.

As you can see our depreciation has increased by \$21,000.00, this is mainly due to the renovation that took place last year, as mentioned by Troy, we have submitted a DA into the council, (The submission was made 1 week before lockdown) to extend the back area and establish an alfresco gaming area, it also creates more room inside the club, at the time of writing this report the DA was still before the council.

The coming year will be a year to watch and act, most businesses are in unknown territory and it will all depend on what happens after September 30th this year when Job keeper and Job Seeker finish and what effect this will have on unemployment and discretionary spending.

Newcastle & Port Stephens Game Fish Club Limited

(A company limited by guarantee)

ABN 25 292 918 920

SECRETARY MANAGERS REPORT CONTINUED

The treasurer will report in more detail, but I would like to highlight some areas.

The cash position is \$355,510.00, very similar to the beginning of the year, so we have a positive cash flow report.

Total revenue has decreased slightly from last year. Total T/O \$1,848612.00, this turnover was achieved even after the club was closed for 9 weeks due to the pandemic.

Fishing memberships has stayed the same, after the huge increase last year, which means we are retaining our members, of course, thanks to our hugely successful tournament.

The Garmin Billfish Shootout has again been a huge success. All fishing members should be very proud that your club holds one of the finest tournaments in Australia.

As you all are aware it takes a lot of hard work and a good group of people to make a club this financially successful, I thank every member on the board, your contribution is appreciated.

You will see that there are 2 life member nominations for Mike Forbes and Greg Hancock, some members may not be aware of what these 2 gentlemen have brought to the club, they have contributed over 40 years combined, Greg 21 years and Mike as treasurer for 19 years, they both were brought in to help save the club from financial ruin by David Litchfield, as you can see by this financial report and many others over the years it was a masterstroke. Both gentlemen were instrumental in what we have today, dare I say if it wasn't for them and some others, this club may not be here, so I am very happy to see them being nominated and both are very worthy nominations.

To the staff of the club, I thank you for all your hard work and patience, especially during some very hard times.

Our caterers Steve and Andrea have again been a major factor in our success, I would like to thank them and their team for producing quality and consistent food throughout the year.

In closing, I thank all members for their contribution and support over the last 12 months and look forward to another successful year in 2020-2021.

Cheers

Nigel Rushworth

Treasurer's Report

A fantastic result from the club to generate such strong figures and end up in the black after such a trying period with the pandemic. It's safe to say we were on track to replicate similar numbers to that from the 2019 year before COVID took hold. A huge thankyou to Nigel for his outstanding work and adjustments during the COVID period and we look forward to strong results in 2021.

Greg Hancock	Director	Managing Director	21
Bob Baldwin	Director (appointed August 2019)	Retired	1

Directors have been in office since the start of the financial year to the date of this report unless otherwise stated.

Principal Activities

The company's principal activities during the year consisted of the operation of a Registered Club and the promotion and provision of sporting and social amenities to members and their guests.

Short-term and Long-term Objectives

The Company's short-Term objectives are to:

- Promote the sport of game fishing through-out the community and general population.
- Provide facilities that members can enjoy.
- Form strategic business relationships in the community which will benefit the business.

The company's long-term objectives are to-

- Encourage sustainable fishing practices which will enhance our sport into the future.
- Educate members in the best practices of game fishing.
- Self regulate our sport, which encourages higher participation.

Strategies

To achieve its objectives, the company has adopted the following strategies.

- The company strives to educate staff, which will help in the retention of quality staff.
- The company establishes working relationships with relevant government bodies and also state and national affiliates.
- The club is committed to the sustainable future of game fishing: it will encourage all styles of fishing and will educate members in the best practices for sustainable fishing.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MAY 2020

The financial statements cover Newcastle & Port Stephens Game Fish Club Limited as an individual entity, incorporated & domiciled in Australia. Newcastle & Port Stephens Game Fish Club Limited is a company limited by guarantee.

The financial statements were authorised for issue on 25th June 2020 by the directors of the company.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of preparation

These general-purpose financial statements have been prepared in accordance with Australian Accounting Standards and interpretations of the Australian Accounting Standards Board and the Corporations Act 2001. The company is a not for profit entity for financial reporting purposes under Australian accounting standards.

Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless otherwise stated.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Accounting Policies

a) Property, Plant & Equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, accumulated depreciation and any impairment losses.

Freehold Property

Freehold land and buildings are measured at their fair value based on valuations by external independent valuers.

Plant and Equipment

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of plant and equipment is greater than the estimated recoverable amount, the carrying amount is written down immediately to the estimated recoverable amount, and impairment losses are recognised either in profit or loss or as a revaluation decrease if the impairment losses relate to a revalued asset.

A formal assessment of recoverable amount is made when impairment indicators are present (refer to Note 1(j) for details of impairment).

Plant and equipment that have been contributed at no cost or for nominal cost are recognised at the fair value of the asset at the date it is acquired.

Newcastle & Port Stephens Game Fish Club Limited

(A company limited by guarantee)

ABN 25 292 918 920

Depreciation

The depreciable amount of all fixed assets including buildings and capitalised lease assets, but excluding freehold land, is depreciated on a straight-line basis over the assets useful lives to the company commencing from the time the asset is available for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable assets are:

Poker Machines	20%
Plant, Fixtures & Fittings	15% - 30%
Carpets	27%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are recognised in profit or loss in the period in which they arise. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained surplus.

a) Inventories

All inventories are valued at the lower of cost and current replacement cost.

b) Income Tax

The company has not provided for income tax, as it is currently exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

c) Leases

The Company as lessee

At inception of a contract, the Company assesses if the contract contains or is a lease. If there is a lease present, a right-of-use asset and a corresponding lease liability is recognised by the Entity where the Company is a lessee. However, all contracts that are classified as a short-term leases (lease with remaining lease term 12 months or less) and leases of low value assets are recognised as an operating expense on a straight-line basis over the term of the lease.

Initially the lease liability is measured at the present value of the lease payments still to be paid at commencement date. The lease payments are discounted at the interest rate implicit in the lease. If this rate cannot be readily determined, the Entity uses the incremental borrowing rate.

Lease payments included in the measurement of the lease liability are as follows:

- fixed lease payments less any lease incentives;
- variable lease payments that depend on an index or rate, initially measured using the index or rate at the commencement date;
- the amount expected to be payable by the lessee under residual value guarantees;
- the exercise price of purchase options, if the lessee is reasonably certain to exercise the options;
- lease payments under extension options if lessee is reasonably certain to exercise the options; and
- payments of penalties for terminating the lease, if the lease term reflects the exercise of an option to terminate the lease

The right-of-use assets comprise the initial measurement of the corresponding lease liability as mentioned above, any lease payments made at or before the commencement date as well as any initial direct costs. The subsequent measurement of the right-of-use assets is at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated over the lease term or useful life of the underlying asset whichever is the shortest. Where a lease transfers ownership of the underlying asset or the cost of the right-of-use asset reflects that the Company anticipates to exercise a purchase option, the specific asset is depreciated over the useful life of the underlying asset.

Newcastle & Port Stephens Game Fish Club Limited

(A company limited by guarantee)

ABN 25 292 918 920

d) Employee Provisions

Short – term employee provisions

Provision is made for the company's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and annual leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

Other long-term employee provisions

Provision is made for employees' long service and annual leave entitlements not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service.

Long service leave entitlements have been calculated for employees with more than 5 years' service. They have been calculated at the (undiscounted) amount expected to be paid when liability is settled

The company's obligations for long-term employee benefits are presented as non-current employee provisions in its statement of financial position, except where the company does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current employee provisions.

f) Revenue

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Revenue from the rendering of services is recognised upon the delivery of the service to the Customers.

Interest revenue is recognised as it is received.

All revenue is stated net of the amount of goods and services tax (GST).

g) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented in the cash flow statement on a net basis.

h) Cash and cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

i) Comparative Figures

Where required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

j) Impairment of Assets

At the end of each reporting period, the company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs of disposal and value in use, is compared to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in profit or loss.

Where the assets are not held primarily for their ability to generate net cash inflows – that is, they are specialised assets held for continuing use of their service capacity – the recoverable amounts are expected to be materially the same as fair value.

Where it is not possible to estimate the recoverable amount of an individual asset, the entity estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Newcastle & Port Stephens Game Fish Club Limited

(A company limited by guarantee)

ABN 25 292 918 920

Where an impairment loss on a revalued individual asset is identified, this is recognised against the revaluation surplus in respect of the same class of asset to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that class of asset.

k.) Accounts Receivable & Other Debtors

Accounts receivable and other debtors include amounts due from members as well as rent receivable from tenants. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Accounts receivable are recognised at fair value.

l.) Accounts Payable & Other Payables

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the company during the reporting period which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

m.) Provisions

Provisions are recognised when the entity has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.

n.) Critical Accounting Estimates and Judgments

The directors evaluate estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained externally and within the company.

o.) Fair Value of Assets & Liabilities

The company measures some of its assets and liabilities at fair value on either a recurring or non-recurring basis, depending on the requirements of the applicable Accounting Standard.

Fair value is the price the Company would receive to sell an asset or would have to pay to transfer a liability in an orderly (i.e. unforced) transaction between independent, knowledgeable and willing market participants at the measurement date.

As fair value is a market-based measure, the closest equivalent observable market pricing information is used to determine fair value. Adjustments to market values may be made having regard to the characteristics of the specific assets or liability. The fair values of assets and liabilities that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data.

To the extent possible, market information is extracted from either the principal market for the asset or liability (i.e. the market with the greatest volume and level of activity for the asset or liability) or, in the absence of such a market, the most advantageous market available to the entity at the end of the reporting period (i.e. the market that maximises the receipts from the sale of the asset or minimises the payments made to transfer the liability, after taking into account transaction costs and transport costs).

For non-financial assets, the fair value measurement also takes into account a market participant's ability to use the asset in its highest and best use or to sell it to another market participant that would use the asset in its highest and best use.

The fair value of liabilities and the entity's own equity instruments (excluding those related to share-based payment arrangements) may be valued, where there is no observable market price in relation to the transfer of such financial instruments, by reference to observable market information where such instruments are held as assets. Where this information is not available, other valuation techniques are adopted and, where significant, are detailed in the respective note to the financial statements.

Newcastle & Port Stephens Game Fish Club Limited

(A company limited by guarantee)

ABN 25 292 918 920

p) **New and Amended Accounting Policies Adopted by the Company Initial application of AASB 16**

The company has adopted AASB 16: Leases retrospectively with the cumulative effect of initially applying AASB 16 recognised at 1 July 2019. In accordance with AASB 16 the comparatives for the 2019 reporting period have not been restated.

The company has recognised a lease liability and right-of-use asset for all leases (with the exception of short term and low value leases) recognised as operating leases under AASB 117: Leases where the Entity is the lessee.

The lease liabilities are measured at the present value of the remaining lease payments. The Entity's incremental borrowing rate as at 1 July 2019 was used to discount the lease payments.

The right of use asset for equipment was measured at its carrying amount as if AASB 16: Leases has been applied since the commencement date, but discounted using the Entity's incremental borrowing rate per lease term on 1 July 2019.

The right of use asset for the remaining lease was measured and recognised in the statement of financial position as at 1 July 2019 by taking into consideration the lease liability, prepaid-and accrued lease payments previously recognised as at 1 July 2019 (that are related to the lease).

The following practical expedients have been used by the Company in applying AASB 16 for the first time:

- for a portfolio of leases that have reasonably similar characteristics, a single discount rate has been applied;
- leases that have remaining lease term of less than 12 months as at 1 July 2019 have been accounted for in the same way as short-term leases;
- the use of hindsight to determine lease terms on contracts that have options to extend or terminate;
- applying AASB 16 to leases previously identified as leases under AASB 117: Leases and Interpretation 4: Determining whether an arrangement contains a lease without reassessing whether they are, or contain, a lease at the date of initial application
- not applying AASB 16 to leases previously not identified as containing a lease under AASB 117 and Interpretation 4.

The Entity's weighted average incremental borrowing rate on 1 July 2019 applied to the lease liabilities was 5.1%.

The Company as lessee

At inception of a contract, the Company assesses if the contract contains or is a lease. If there is a lease present, a right-of-use asset and a corresponding lease liability is recognised by the Entity where the Company is a lessee. However, all contracts that are classified as a short-term leases (lease with remaining lease term 12 months or less) and leases of low value assets are recognised as an operating expense on a straight-line basis over the term of the lease.

Initially the lease liability is measured at the present value of the lease payments still to be paid at commencement date. The lease payments are discounted at the interest rate implicit in the lease. If this rate cannot be readily determined, the Entity uses the incremental borrowing rate.

Lease payments included in the measurement of the lease liability are as follows:

- fixed lease payments less any lease incentives;
- variable lease payments that depend on an index or rate, initially measured using the index or rate at the commencement date;
- the amount expected to be payable by the lessee under residual value guarantees;
- the exercise price of purchase options, if the lessee is reasonably certain to exercise the options;
- lease payments under extension options if lessee is reasonably certain to exercise the options; and

Newcastle & Port Stephens Game Fish Club Limited

(A company limited by guarantee)

ABN 25 292 918 920

- payments of penalties for terminating the lease, if the lease term reflects the exercise of an option to terminate the lease. The right-of-use assets comprise the initial measurement of the corresponding lease liability as mentioned above, any lease payments made at or before the commencement date as well as any initial direct costs. The subsequent measurement of the right-of-use assets is at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated over the lease term or useful life of the underlying asset whichever is the shortest. Where a lease transfers ownership of the underlying asset or the cost of the right-of-use asset reflects that the Entity anticipate to exercise a purchase option, the specific asset is depreciated over the useful life of the underlying asset.

Employee provisions represent amounts accrued for annual leave and long service leave.

The current portion for this provision includes the total amount accrued for annual leave entitlements and the amounts accrued for long service leave entitlements that have vested due to employees having completed the required period of service. Based on past experience, the company does not expect the full amount of annual leave or long service balances classified as current liabilities to be settled within the next 12 months. However, these amounts must be classified as current liabilities since the company does not have an unconditional right to defer the settlement of these amounts in the event employees wish to use their leave entitlement.

The non-current portion for this provision includes amounts accrued for long service entitlements that have not yet vested in relation to those employees who have not yet completed the required period of service.

12. FINANCIAL RISK MANAGEMENT

The company's financial instruments consist mainly of deposits with banks, accounts receivable and payable and hire purchase liabilities.

The main risks the company is exposed to through its financial instruments are interest rate risk, liquidity risk and credit risk.

a) Interest Rate Risk

The company enters its investment and borrowings at the interest rate prevailing at the time of the initial transaction. Other than bank overdraft facilities and the Debenture bank account all transactions are entered into at a fixed rate of interest. The company's exposure to interest rate risk and the effective average interest rate for each class of financial asset and liability is set out below.

2020					
	Floating	Fixed interest maturing in:		Non interest	Total
Financial assets	Interest rate	1 year	Over 1 year to	bearing	
		Or less	5 years

	107,156.16	230,496.18	-	32,287.60	369,939.94
Financial Liabilities					
Trade & Sundry Payables	-	-	-	97,035.36	97,035.36
Net Financial	107,156.16	230,496.18	-	<64,747.76>	272,904.58
Assets/<Liabilities>					

b) Liquidity Risk

The company manages liquidity risk by monitoring forecast cash flows and ensuring that adequate unutilised borrowing facilities are maintained.

Newcastle & Port Stephens Game Fish Club Limited

(A company limited by guarantee)

ABN 25 292 918 920

Credit Risk

The maximum exposure to credit risk, excluding the value of any collateral or other security, at balance date to recognised financial assets, is the carrying amount, net of any provisions for impairment of those assets, as disclosed in the balance sheet and notes to the financial statements.

c) Net Fair Values

The aggregate net fair values of financial assets and financial liabilities, both recognised and unrecognised at balance date are at the values as disclosed in the balance sheet and the notes thereto.

- d) The directors have considered the further application of the balance of AASB 132 "Presentation and Disclosure of Financial Instruments" and believe the balance of the standard is not applicable to the financial statements as the Company's exposure to interest rate risk is low and the information required to be specified resulting from the application of the standard is not material.

Asset Revaluations

The revaluations of freehold land and buildings were based on the assessment of their current market value. The independent valuation of the clubhouse land and building was carried out on 15th August 2014 by T.J Morton FAPI.

14. INTERESTS OF KEY MANAGEMENT PERSONNEL

Remuneration Practices

The directors of the company were not paid for their services.

The general manager of the company is paid based on the appropriate club industry award rate. He was not paid for his services as company secretary.

The executives receive a superannuation guarantee contribution required by the government, which is currently 9.5% and do not receive any other retirement benefits.

All remuneration paid to executives and directors are valued at the cost to the company and expensed.

Newcastle & Port Stephens Game Fish Club Limited

(A company limited by guarantee)

ABN 25 292 918 920

Specified Executives

Clubs NSW define specified executives as the secretary of the club, a person appointed under section 34A as the manager of any premises of the club, any other person paid more than \$100,000 involved in the general administration, liquor or gaming operations of a club who is one of the five highest paid employees.

The specified executives are:

Nigel Rushworth

Employment Contracts of Directors and Specified Executive

The company has entered into an Australian Workplace Agreement with the General Manager. This agreement very closely mirrors the Club Industry Award.

15. EVENTS AFTER THE REPORTING PERIOD

The directors are not aware of any significant events since the end of the reporting period.

16. ENTITY DETAILS

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF NEWCASTLE & PORT STEPHENS GAME FISH CLUB LIMITED

Opinion

We have audited the financial report of Newcastle & Port Stephens Game Fish Club Limited, which comprises the statement of financial position as at 31st May 2020, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of Newcastle & Port Stephens Game Fish Club Limited is in accordance with the Corporations Act 2001, including:

Giving a true and fair view of the company's financial position as at 31st May 2020 and of its financial performance for the year ended; and

Complying with Australian Accounting Standards and the Corporations Regulations 2001.

Basis for Opinion

We conduct our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the company in accordance with auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: Code of Ethics for Professional Accountants (the code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with code.

We confirm that the independence declaration required by the Corporations Act 2001, which has been given to the directors of the company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion. Information other than the Financial Report and Auditor's Report Thereon

The directors are responsible for the other information. The other information comprises the information included in the company's annual report for the year ended 31st May 2020 but does not include the financial report and our auditor's report thereon. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon. In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the company's ability to continue as a going concern disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Newcastle & Port Stephens Game Fish Club Limited

(A company limited by guarantee)

ABN 25 292 918 920

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit finding, including any significant deficiencies in internal control that we identify during our audit.

Skipper: LUKE SWEETMAN

*The underlying spirit of angling is
that the skill of the angler is pitted
against the instinct and strength of
the fish and the latter is entitled to
an even chance for his life.*
